5. Irregularities

- 5.1 In the event that the total Bets placed on any betting boxes exceed the maximum permissible Differential or maximum permissible limit for that betting box, and this is noticed by the Dealer before the Bets are closed, the House shall reject the excess Bets.
 - 5.1.1 However, if the excess Bets were not rejected, the Player shall win or lose his Bet on a pro rata basis based on the maximum permissible Differential or maximum permissible limit for that betting box. Such apportionment shall not result in any Player winning or losing based on a pro-rated Bet that is below the minimum permissible limit.
 - 5.1.2 In the event that any Player has, in a betting box that has exceeded the maximum permissible limit, placed a Bet that is under the minimum permissible limit, pro rata shall not be applied, and such Player shall win or lose accordingly.
- 5.2 In the event the total Bet(s) placed on any betting boxes do not meet the minimum permissible limit for that betting box, and this is noticed by the Dealer before the Bets are closed, the Dealer shall advise the Player that the minimum permissible limit must be met and give the Player the opportunity to increase or withdraw his Bet.
 - 5.2.1 However, if the Dealer does not notice that the Bet falls below the minimum permissible limit, the Player shall win or lose accordingly.
- 5.3 In the event a Player walks away after he has placed a Bet, the House shall settle the Bet accordingly.
- 5.4 In the event of a technical interruption (such as a power failure) that affects the continuation of a Round of play, if:
 - 5.4.1 an outcome has been established i.e. any of the available Bets has conclusively won or lost, play shall continue and the Round of play shall be concluded; or
 - 5.4.2 no outcome has been established i.e. none of the available Bets has conclusively won or lost, the Round of play shall be Voided.

- 5.5 In the event that any of the following situations occur:
- 5.5.1 the dice tumbler does not tumble at least three times after the dice tumbler has been activated; or
 - 5.5.2 any of the three dice fail to come to rest with one surface flat on the base of the tumbler; or
 - 5.5.3 any of the concealed dice are exposed before the announcement of "No more Bets",
- the current Round of play shall be Voided, and the outcome and settlement of all previous Round(s) of play shall stand.
- 5.6 In the event that one or more dice are damaged, all affected Rounds of play shall be Voided.
- 5.7 After the Dealer announces "No more Bets", no Bet may be placed, increased or withdrawn and the Dealer shall refuse all such Bets.
- 5.8 An error that occurred during a Round of play that is not noticed until after the commencement of a subsequent Round of play shall not have any effect on the outcome of the subsequent Round(s) of play.
- 5.9 Bets shall be settled in accordance with the position of chips on the layout when the Bets are closed. The House shall not be liable to pay for any Bets placed in error by the Player or by the Player through the House or someone else on the betting layout at the gaming table.
- 5.10 If the electronic equipment fails to illuminate the winning areas on the layout or fails to illuminate the winning areas correctly, all Bets shall be collected and paid in accordance with the result shown on the dice.
- 5.11 Any display information provided by the House on the outcome of current or previous or both Rounds of play is for information purposes only, and the actual outcome at the table shall prevail in the event of any inaccuracy in the display information.

- 5.12 Where the Round of play is Voided, all Bets made by the Players for that particular Round of play shall be returned.
- 5.13 The Pit Employees may, at the request of a Player, place Bets on behalf of the Player. If instruction is given to the Pit Employees, it is the responsibility of the Player to ensure that the Bets are placed correctly on his behalf.
- 5.14 Where provisions in the Game Rules do not provide for the resolution of (a) any irregularity and/or scenario not covered in the Game Rules and/or (b) any interpretation issues relating to the Game Rules, the Table Game Shift Manager or above shall, at his reasonable discretion, decide how to resolve such matters.
