5. Irregularities

- 5.1 In the event the total Bets placed on any betting boxes exceed the maximum permissible limit for that betting box, and this is noticed by the Dealer before the Bets are closed, the House shall reject the excess Bets. For the purposes of assessing whether and when the maximum Bet has been reached in the game for a betting box, Seated Players shall have the priority in the placement of their Bets, following which Standing Players may place their Bets subject to and until the maximum Bet has been reached for that betting box.
 - 5.1.1 However, if the excess Bets were not rejected, the Player shall win or lose his Bet on a pro rata basis based on the permissible maximum limit for that betting box. Such apportionment shall not result in any Player winning or losing based on a pro-rated Bet that is below the minimum permissible limit.
 - 5.1.2 In the event that any Player has, in a betting box that has exceeded the maximum permissible limit, placed a Bet that is under the minimum permissible limit, pro rata shall not be applied, and such Player shall win or lose accordingly.
- 5.2 In the event the total Bets placed on any betting boxes do not meet the minimum permissible limit for that betting box, and this is noticed by the Dealer before the Bets are closed, the Dealer shall advise the Player that the minimum permissible limit must be met and give the Player the opportunity to increase or withdraw his Bet.
 - 5.2.1 However, if the Dealer does not notice that the Bet falls below the minimum permissible limit, the Player shall win or lose accordingly.
- 5.3 In the event a Player walks away after he has placed a Bet, the House shall settle the Bet accordingly.
- 5.4 In the event of a technical interruption (such as a power failure) that affects the continuation of a Round of play, if:
 - 5.4.1 an outcome has been established i.e. any of the available Bets has conclusively won or lost, play shall continue and the Round of play shall be concluded; or

5.4.2 no outcome has been established i.e. none of the available Bets has conclusively won or lost, the Round of play shall be Voided.

5.5 In the event that any of the following situations occur:

5.5.1 if a card that does not form part of the set of cards is found; or

5.5.2 if there is any shortage or excess of cards in the deck; or

5.5.3 if the playing cards are not shuffled; or

5.5.4 if the cards have been dealt incorrectly and no Players have handled their cards, except if an incorrect distribution of cards can be Reconstructed by moving complete Hands from one betting area to another; or

5.5.5 if there are insufficient cards in the Card Shoe/Electronic Card Shuffler to complete the Round of play; or

5.5.6 if the Dealer's Hand is dealt an incorrect number of cards, and this is noticed before the commencement of the next Round of play and the cards for the current Round of play cannot be Reconstructed,

the current Round of play shall be Voided, and the outcome and settlement of all previous Round(s) of play shall stand.

5.6 In the event of any dealing error not described in paragraph 5.5, and regardless of whether Reconstruction is possible, all Players on the gaming table shall have the option to:

5.6.1 continue their Hand (if the cards cannot be Reconstructed); or

5.6.2 continue with the Reconstructed Hand (if the cards can be Reconstructed); or

5.6.3 have their Bet returned and the Hand invalidated.

All Players who have chosen the options set out in paragraph 5.6.1 or 5.6.2 above must then accept any subsequent cards dealt on that Round of play.

- 5.7 After the Dealer announces “No more Bets”, no Bet may be placed, increased or withdrawn and the Dealer shall refuse all such Bets.
- 5.8 If an incorrect number of cards are dealt to a Player’s Hand, that Player’s Hand shall be removed from play and his Bets returned, provided that this is noticed before the commencement of the next Round of play and the cards cannot be Reconstructed.
- 5.8.1 The remaining Players on the gaming table shall be given the options set out in paragraph 5.6.
- 5.9 In the event a card is found turned face up in the Card Shoe/Electronic Card Shuffler, it shall be used as though it was the next card from the Card Shoe/Electronic Card Shuffler.
- 5.10 In the event two cards or more have been drawn simultaneously, and the order of the cards cannot be determined, regardless of whether the cards have been exposed, the decision as to which card is to be received first shall be made by the Pit Supervisor or above.
- 5.10.1 The drawing of simultaneous cards shall be deemed as a dealing error, all Players on the gaming table shall be given the options set out in paragraph 5.6.
- 5.11 An error that occurred during a Round of play that is not noticed until after the commencement of a subsequent Round of play shall not have any effect on the outcome of the subsequent Round(s) of play.
- 5.12 Bets shall be settled in accordance with the position of chips on the layout when the Bets are closed. The House shall not be liable to pay for any Bets placed in error by the Player or by the Player through the House or someone else on the betting layout at the gaming table.
- 5.13 In the event a Player has placed a Bet on a Big Tiger and/or Small Tiger and/or Tiger Pictures and/or Tiger and/or Tiger Poker betting box that does not have an Initial Bet on that betting box and this is noticed by the Dealer after the commencement of the Round of play, the Big Tiger and/or Small Tiger and/or Tiger Pictures and/or Tiger and/or Tiger Poker Bet shall be removed from play and his Bets returned.

- 5.14 Where the Round of play is Voided, all Bets made by the Players for that particular Round of play shall be returned.
- 5.15 The Pit Employees may, at the request of a Player, place Bets on behalf of the Player. If instruction is given to the Pit Employees, it is the responsibility of the Player to ensure that the Bets are placed correctly on his behalf.
- 5.16 Where provisions in the Game Rules do not provide for the resolution of (a) any irregularity and/or scenario not covered in the Game Rules and/or (b) any interpretation issues relating to the Game Rules, the Table Games Shift Manager or above shall, at his reasonable discretion, decide how to resolve such matters.
