NOTICE ON AUXILIARY TABLE GAME SYSTEMS

IMPORTANT

No part of this document shall be reproduced, in any form or by means, without permission in writing from the Gambling Regulatory Authority of Singapore (the “**Authority**”).

This document is statutorily issued to specific recipient(s) only (“**Intended Recipient(s)**”). Any other person to whom this document has not been statutorily issued shall be deemed to be a non-intended recipient (“**Non-Intended Recipient**”).

The Authority may make this document or its contents available to Non-Intended Recipients by publishing them on its website or by any other means for general information purposes only. The publication of this document or its contents on the Authority’s website or by any other means does not constitute statutory issuance thereof to any person. Non-Intended Recipients may not rely on this document. The Authority makes no warranty or representation whatsoever with regard to the information in this document to any Non-Intended Recipient. The Authority assumes no responsibility or liability for any consequences (financial or otherwise) suffered directly or indirectly by Non-Intended Recipients who enter into any commercial activities upon reliance on any information in this document.

This document is subject to change from time to time to adapt to the continual development and evolution of the gaming industry in Singapore. The Authority reserves the right to change its policies and to amend, modify or supplement any information in this document.

This document does not in any way bind the Authority to grant any approval for or exemption from any matter for which approval is required under any written law in Singapore.

This document shall not affect any regulatory requirements of any other competent authority in Singapore.

Persons who may be in doubt about how the information in this document may affect them or their commercial activities are advised to seek independent legal advice or any other professional advice they may deem appropriate.

NOTICE ON AUXILIARY TABLE GAME SYSTEMS

1. INTRODUCTION

- 1.1 Pursuant to regulation 20(2) of the Casino Control (Gaming Equipment) Regulations 2009, gaming equipment for use in any casino shall comply with:
 - a. the Existing Notice (Version 3.0) until the Date of Cessation (inclusive);
and
 - b. the New Notice (Version 4.0) from the Date of Commencement (inclusive).
- 1.2 All terms used in this notice, unless the context otherwise requires or otherwise defined, shall have the same meanings as in the Casino Control Act 2006 (the “Act”) and any regulations made thereunder as may be amended from time to time.
- 1.3 Any reference to legislation refers to such legislation as may be amended from time to time.

2. UNDERLYING PRINCIPLES

- 2.1 The evaluation of gaming equipment serves to ensure that the operation of a casino is and remains free from criminal influence or exploitation and that casino gambling and promotional games in a casino is conducted honestly.
- 2.2 Hence, all gaming equipment must be designed and manufactured to allow operations of a casino to be conducted in a manner that is honest, secure, auditable and reliable.

3. SCOPE OF AUXILIARY TABLE GAME SYSTEMS

- 3.1 This notice applies to auxiliary table game systems. Auxiliary table game systems means dealer-operated electronic systems that:-
 - 3.1.1 Utilise random number generators to determine gaming outcomes;
and/or
 - 3.1.2 Track bets wagered, winnings and losses.
- 3.2 For avoidance of doubt, table game systems that automate the functions of accepting wagering instruments as well as making of payouts are not auxiliary table game systems and are not subject to the requirements of this notice.

4. REQUIREMENTS FOR AUXILIARY TABLE GAME SYSTEMS

- 4.1 Every auxiliary table game system shall contain a proven and robust mechanism which has the capability to internally authenticate that programme files and/or support files have not been corrupted or altered prior to use or loading. Such mechanism shall prevent further operation of any auxiliary table game system if unexpected data or inconsistencies are found.

NOTICE ON AUXILIARY TABLE GAME SYSTEMS

- 4.2 If a Random Number Generator (“RNG”) is present and used to determine game outcomes, the RNG shall comply with Section 3.4 Random Number Generator of the Technical Standards for Electronic Gaming Machines issued by the Authority.
 - 4.2.1 If the system simulates an existing live table game, the RNG shall comply with the live game correlation requirement stated in Section 2.2 Live Game Correlation of the Technical Standards for Electronic Table Games.
- 4.3 If the system assists in the tracking of bets wagered, winnings and losses, the system shall contain a mechanism to allow the review and reconstruction of the gaming activity of at least five previous games.
- 4.4 Role Based Access Control whereby users are only allowed access to programmes and menu items related to their job functions shall be supported.
- 4.5 The Authority reserves the right to:-
 - 4.5.1 Require test report(s) from an Approved Test Service Provider (ATSP) to demonstrate compliance with any or all of the requirements in this notice; and/or
 - 4.5.2 Review the Quality Management System documentation of the manufacturer of an auxiliary table game system as well as to conduct site visits to ascertain that there are sufficient security measures, internal controls and quality verification criteria in place during the manufacturing, quality control, packing, storage, delivery and destruction processes.
