1. Definitions

In these rules:

Ante means a side wager placed on either the “Player” or “Banker” prior to any cards being dealt.

Baccarat Table of Play is a set of mandatory rules that dictate whether the Player and Banker should stand or draw an additional card.

House means the Casino Operator.

Natural means a two-card total of eight or nine points achieved by either the Player hand or the Banker hand.

Non-Commission Knockout Baccarat means a version of Baccarat where wagers placed on the Banker shall be paid at odds of 1 to 1 except in the event when the Banker wins on Six Points (in such an event, only 50% of the amount wagered on the Banker shall be paid).

Player Pair or Banker Pair means the first two cards of either the Player hand or the Banker hand, as the case may be, and such two cards form a pair (for example 10, 10 or K, K).

Tie means that the Player and the Banker hands have the same point count.

Wager means an additional wager that may be placed by a Player after (i) having placed a wager on “Ante” and (ii) the first card is dealt. A Player must then decide whether to lose his wager on the “Ante” or continue with play by placing a wager equivalent to twice the amount of the “Ante”.

Winning Total means an additional wager that may be placed by selecting the point count of the winning hand, provided that a wager is placed on either the “Player” or “Banker”. The selected “Winning Total” shall be paid in accordance to the Winning Total Pay Table in rule 4.1.2.
