5. Irregularities

- 5.1 In the event the total Bets placed on any betting boxes exceed the maximum permissible Differential limit, and this is noticed by the Dealer before the Bets are closed, the House shall reject the excess Bets. For the purposes of assessing whether the maximum Differential has been reached in a betting box, Seated Players shall have the priority in the placement of their Bets, following which Standing Players may then place their Bets until the maximum Differential of the table is reached for that betting box.
 - 5.1.1 However, if the excess Bets were not rejected, the Player shall win or lose his Bet on a pro rata basis based on the maximum permissible Differential limit. Such apportionment shall not result in any Player winning or losing based on a pro-rated Bet that is below the minimum permissible limit.
 - 5.1.2 In the event that any Player has, in a betting box that has exceeded the maximum permissible Differential limit, placed a Bet that is under the minimum permissible limit, pro rata shall not be applied, and such Player shall win or lose accordingly.
- 5.2 In the event the Bets placed on any betting boxes do not meet the minimum permissible limit for that betting box, and this is noticed by the Dealer before the Bets are closed, the Dealer shall advise the Player that the minimum permissible limit must be met and give the Player the opportunity to increase or withdraw his Bet.
 - 5.2.1 However, if the Dealer does not notice that the Bet falls below the minimum permissible limit, the Player shall win or lose accordingly.
- 5.3 In the event a Player walks away after he has placed a Bet, the House shall settle the Bet accordingly.
- 5.4 In the event of a technical interruption (such as a power failure) that affects the continuation of a Round of play, if:
 - 5.4.1 an outcome has been established i.e. any of the available Bets has conclusively won or lost, play shall continue and the Round of play shall be concluded; or

- 5.4.2 no outcome has been established i.e. none of the available Bets has conclusively won or lost, the Round of play shall be Voided.
- 5.5 In the event that any of the following situations occur:
- 5.5.1 if a card that does not form part of the set of cards is found; or
 - 5.5.2 if there is any shortage or excess of cards in the deck; or
 - 5.5.3 if the Player Hand or Banker Hand is dealt an incorrect number of cards, and this is noticed before the commencement of the next Round of play and the cards for the current Round of play cannot be Reconstructed; or
 - 5.5.4 if there are insufficient cards in the Card Shoe/Electronic Card Shuffler to complete the Round of play; or
 - 5.5.5 if the playing cards are not shuffled,
- the current Round of play shall be Voided, and the outcome and settlement of all previous Round(s) of play shall stand.
- 5.6 After the Dealer announces “No more Bets”, no Bet may be placed, increased or withdrawn and the Dealer shall refuse all such Bets.
- 5.7 Where card(s) are drawn in excess or exposed it shall be Reconstructed in accordance with the Baccarat Table of Play and/or used in the next Round of play whichever is applicable. The House shall have reasonable discretion to determine whether or not the cards are capable of being Reconstructed.
- 5.7.1 All Players on the gaming table shall be given the options set out in paragraph 5.12 provided no outcome has been established.
- 5.8 If the Dealer inadvertently dealt:
- 5.8.1 the Player’s card(s) to the Banker area and/or the Banker’s card(s) to the Player area; or
 - 5.8.2 the Player’s card(s) to the person accepting the Banker Hand and/or the Banker’s card(s) to the person accepting the Player Hand,

regardless of whether the card(s) has been exposed, that Round of play shall be played in accordance with the Baccarat Table of Play. If the cards have been dealt incorrectly, they shall be Reconstructed before play continues.

Except in a situation where an outcome has been established and the cards can be Reconstructed, all Players on the gaming table shall be given the options set out in paragraph 5.12.

- 5.9 If the Dealer inadvertently dealt any card(s) face up on specific tables where the cards are dealt face down, the Round of play shall continue and the result shall stand. All Players on the gaming table shall be given the options set out in paragraph 5.12 provided no outcome has been established.
- 5.10 In the event two cards or more have been drawn simultaneously, and the order of the cards cannot be determined and regardless of whether the cards have been exposed, the decision as to which card is to be received first shall be made by the Pit Supervisor or above.
 - 5.10.1 The drawing of simultaneous cards shall be deemed as a dealing error, all Players on the gaming table shall be given the options set out in paragraph 5.12.
 - 5.10.2 The cards in the Card Shoe/Electronic Card Shuffler may be replaced with a new set of cards. This decision shall be made by Pit Supervisor or above.
- 5.11 An error that occurred during a Round of play that is not noticed until after the commencement of a subsequent Round of play shall not have any effect on the outcome of the subsequent Round(s) of play.
- 5.12 In the event of any dealing error not described in paragraph 5.5, and regardless of whether Reconstruction is possible, all Players on the gaming table shall have the option to:
 - 5.12.1 continue their Hand (if the cards cannot be Reconstructed); or
 - 5.12.2 continue with the Reconstructed Hand (if the cards can be Reconstructed); or
 - 5.12.3 have their Bet returned.

All Players who have chosen the options set out in paragraph 5.12.1 or 5.12.2 above must then accept any subsequent cards dealt on that Round of play.

- 5.13 Bets shall be settled in accordance with the position of chips on the layout when the Bets are closed. The House shall not be liable to pay for any Bets placed in error by the Player or by the Player through the House or someone else on the betting layout at the gaming table.
- 5.14 Any display information provided by the House on the outcome of current and/or previous Rounds of play is for information purposes only, and the actual outcome at the table shall prevail in the event of any inaccuracy in the display information.
- 5.15 Where the Round of play is Voided, all Bets made by the Players for that particular Round of play shall be returned.
- 5.16 The Pit Employees may, at the request of a Player, place Bets on behalf of the Player. If instruction is given to the Pit Employees, it is the responsibility of the Player to ensure that the Bets are placed correctly on his behalf.
- 5.17 Where provisions in the Game Rules do not provide for the resolution of (a) any irregularity and/or scenario not covered in the Game Rules and/or (b) any interpretation issues relating to the Game Rules, the Table Game Shift Manager or above shall, at his reasonable discretion, decide how to resolve such matters.
