1. Definitions

In these rules:

Clapper refers to the device which will indicate the winning symbol, once the Wheel slows down and stops.

Colour Chips are chips of a particular set, bearing the same emblem or mark to distinguish them from colour chips used at other tables.

Dolly refers to an indicator used to denote the winning symbol, as reflected by the clapper.

A **revolution** is a complete turn of the Wheel, starting from the last symbol indicated by the clapper, before the Wheel is spun.

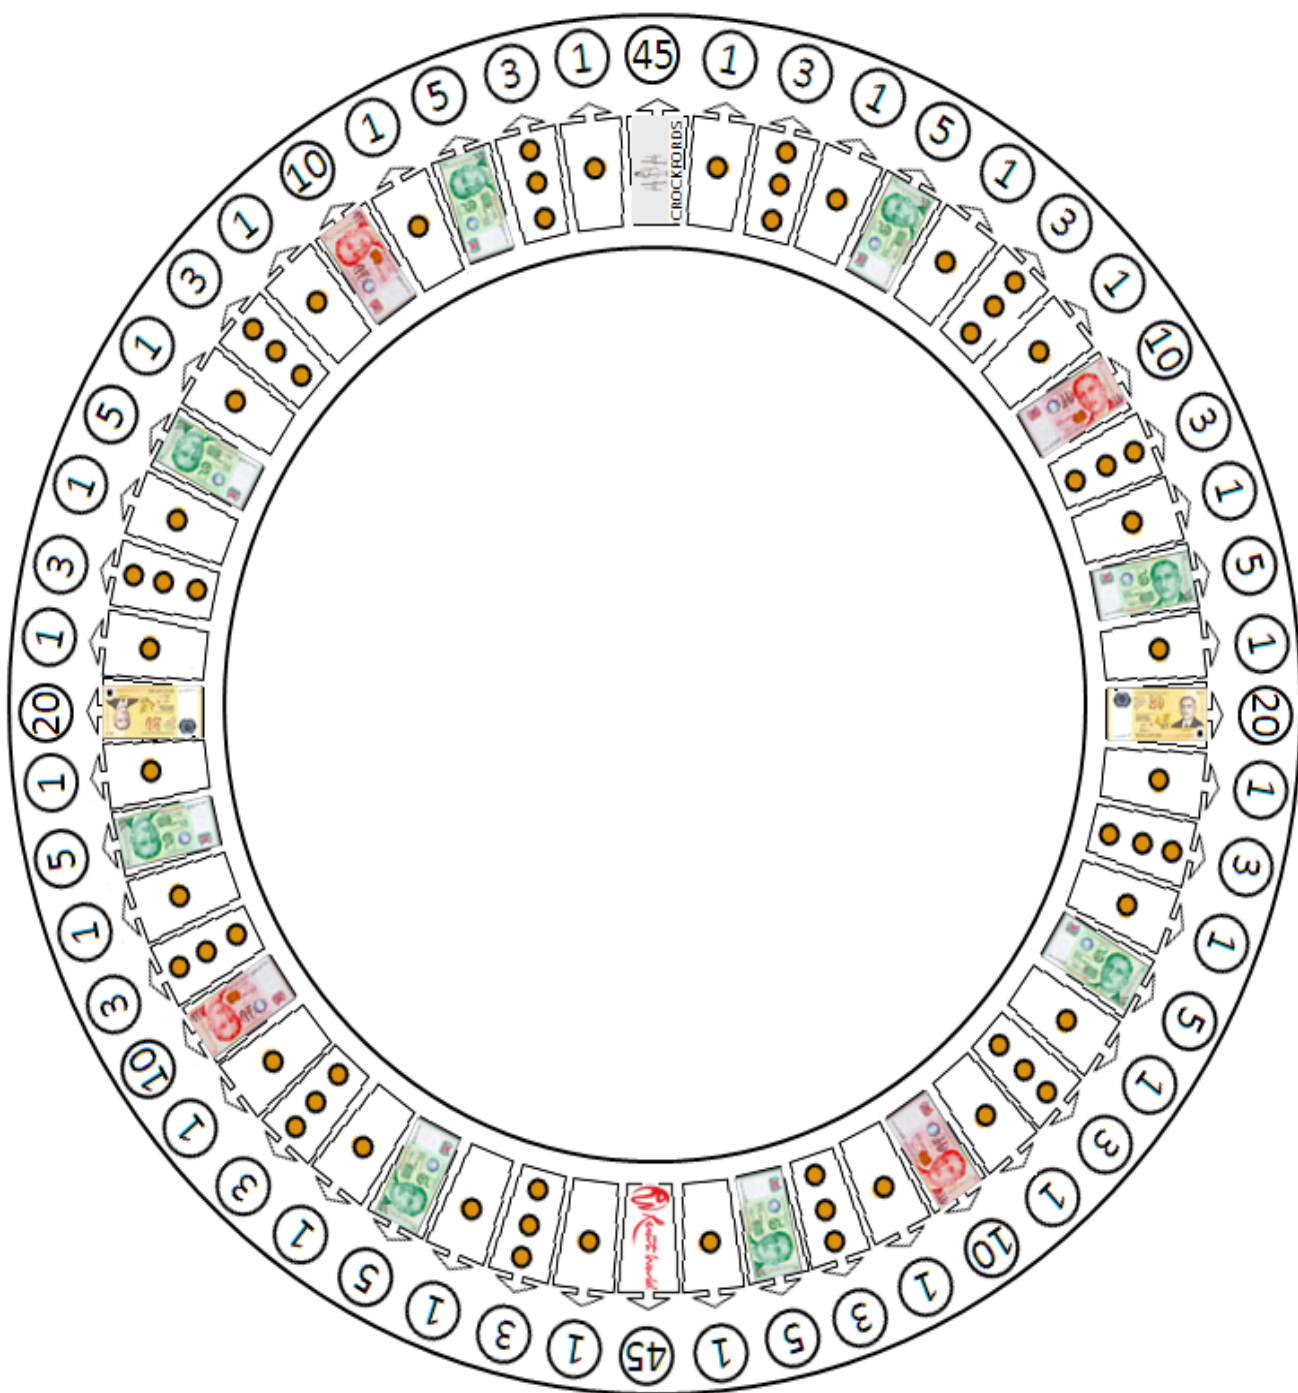

Spin means to rotate the Wheel causing it to revolve.
