1. Definitions

In these rules:

Bet shall have the same meaning as wager.

Player Terminal means the individual terminals or devices of an Electronic Table Game on which a Player buys credits, places Bets and cashes out winnings.

A **revolution** means the movement of the ball completing a cycle round the wheel along the ball track.

Spin means an action by the Dealer to cause the ball to be spun in the opposite direction to the rotation of the wheel.

2. Mode of Play

2.1 The Display

2.1.1 The display for Roulette (Electronic Table Game) is as shown in the Player Terminals.

3. How to Play

- 3.1 Commencement of play shall begin when the Player Terminal displays: (i) "Place Your Bets" or (ii) "Place Your Bets, Please".
- 3.2 Closing of Bets shall take effect when the Player Terminal displays "No More Bets".
- 3.3 Each Player shall play the game of Roulette (Electronic Table Game) by Betting in accordance to Diagram "A" and corresponding multiple piece Bets options available in Diagrams "B", "C" or "D".
- 3.4 The Dealer shall spin the ball in a direction opposite to the rotation of the wheel and the ball must complete at least four (4) revolutions around the track of the wheel to constitute a valid spin.
- 3.5 When the speed of the ball slows down, the Player Terminal will display "No More Bets" to signify the closing of Bets.
- 3.6 The winning number is determined when the ball has come to a rest in any compartment of the wheel. The winning number will be highlighted on the Player Terminal.
- 3.7 In the event the ball comes to rest in the compartment "0" (ZERO), all Bets shall lose with the exception of those Bets on (a) "0" (ZERO) number or (b) any combination involving "0" (ZERO) number.

4. Settlement

4.1 Odds of Each Winning Bet

4.1.1 The settlement of Bets is as shown in the Player Terminals.
