

## **NOTICE ON DICE**

### **CASINO CONTROL (GAMING EQUIPMENT) REGULATIONS 2009**

#### **1. INTRODUCTION**

- 1.1 This notice is issued by the Casino Regulatory Authority of Singapore (the “Authority”) pursuant to regulation 20(2) of the Casino Control (Gaming Equipment) Regulations 2009.
- 1.2 This notice shall take effect from 31 January 2013.
- 1.3 All terms used in this notice, unless the context otherwise requires or otherwise defined, shall have the same meanings as in the Casino Control Act (Cap. 33A) (the “Act”) and any regulations made thereunder.

#### **2. UNDERLYING PRINCIPLES**

- 2.1 The evaluation of gaming equipment serves to ensure that the operation of a casino is and remains free from criminal influence or exploitation and that gaming in a casino is conducted honestly.
- 2.2 Hence, all gaming equipment must be designed and manufactured to allow operations of a casino to be conducted in a manner that is honest, secure, auditable and reliable.

#### **3. REQUIREMENTS FOR DICE**

- 3.1 The weight of the dice shall be equally distributed throughout the dice and no side shall be heavier or lighter than any other side.
- 3.2 The dice shall be formed in the shape of a cube where all edges have equal dimensions and all corners are identical.
- 3.3 Each side of the dice shall be perfectly flat with identical texture and finish.
- 3.4 The markings on each side of the dice shall be perfectly flushed with the area surrounding them, with no other indentation or embossing.
- 3.5 Dice to be handled by patrons shall be transparent.

- 3.6 The dice shall bear a unique identifying feature of a casino operator or any other form of artwork that would indicate that the dice belong to a particular casino operator.
